Re:- Repairs to Lorry No. Mhz 4837 /

Letter no. T.R.C. 2697/46-47 dated 23rd July 1947 from the D.J.S. Requests sanction for the payment of a sum of Rs 5·79/- being the cost of repairs effected to Lorry No. Mhz 4837, which met with an accident by colliding with a lorry of the Municipality at Nyasa.

It is reported by the D.J.S. that the lorry met with an accident while transporting sugar on 8th October 1946, by colliding with another lorry belonging to the Nyasa Municipality. In view of the urgent need, it is understood, the lorry, was entrusted to M/s Dalmyer's Workshop at Nyasa for effecting the necessary repairs. The Bill has been scrutinised by the Transport Officer. The cost of repairs amounts to Rs 5·79/-. As the D.J.S. has been empowered to sanction repairs only up to a limit of Rs 500/- only, he has now sought sanction in the circumstances explained, for the payment of the bill for Rs 5·79/-. The proposal of the D.J.S is for orders.

1. Dismantling Engine, Checking the parts for damage and refitting after overhauling engine.

The rate charged by local firms of repute for Engine overhaul is Rs.210/- for Dodge lorries; but as the lorry is stated to have met with an accidentthis amount may perhaps be allowed as there are likely to be some additional rectifications apart from engine overhaul. Secondly, as the number of motor vehicles repairers are few at Mysore the slight increase in rate may be allowed.

2. Changing the King Pin Bushes (Rs.20).

May be allowed as it is reasonable.

3. Changing shackle pin and bushes of 4 springs: Rs.20/-

4. Relining the Rearwheel Brake shoes: Rs.18/-
